## WELCOME

Jo Mason and Janie Hubble, the owners of The Stitchers' Village welcome you and hope that you enjoy visiting the Village and remember to come back often to discover what's new and exciting in the world of NeedleArts.

Jo and Janie's idea of an interactive stitching community based on a 'village' layout is very different from anything else out there in cyberspace - and they have spent many, many months developing their ideas and bringing their 'dream' to reality.

With Jo's expertise in administration and skill at bringing information and people together, and Janie's ability to envisage and build the graphics needed to create the Village, the pair are thrilled at the result of their labors! 'It really is like giving birth to a child', said Janie.

The pair's vision of a supportive global community embracing retailers, designers and the general stitching public to bring them closer together, has created a safe, secure place for the stitching community to gather, discover, indulge in a little retail therapy and learn.

To encourage interaction between everyone who visits The Village, Jo and Janie have created 'The Tea Shoppe' where one can find general needlework forums in English, as well as forums in Spanish, French, German, Italian, Dutch and Finnish! 'You have to be a member of The Village to participate in the forums, but becoming a member is free, so we encourage everyone to sign up today', said Janie.

'The Village will continue to grow and expand to encompass many new and exciting events and concepts over the next year', said Jo. 'Janie and I both hope that stitchers the world over make 'The Stitchers Village' their home away from home and have a lot of fun being part of this community.'

## FOCUS ON ...ABC STITCH THERAPY

In March 2003 ABC Stitch Therapy opened their "Bricks and Mortar" store in Grantham (New Hampshire) after maintaining an online only presence for a few years.

By 2008 they had outgrown their store and relocated to a beautiful new shop (nearly 5000 sq feet ) situated right next to [Exit 13 on I89 in the Sawyer Brook Plaza](#) (Route 10 South) next to Sunshine Carousel Quilt Shop and love to welcome visitors from the New England area and all over the country.

They have an area where you can sit and

stitch (a retreat where stitchers can meet and spend some time stitching and catching up with their fellow stitching friends).

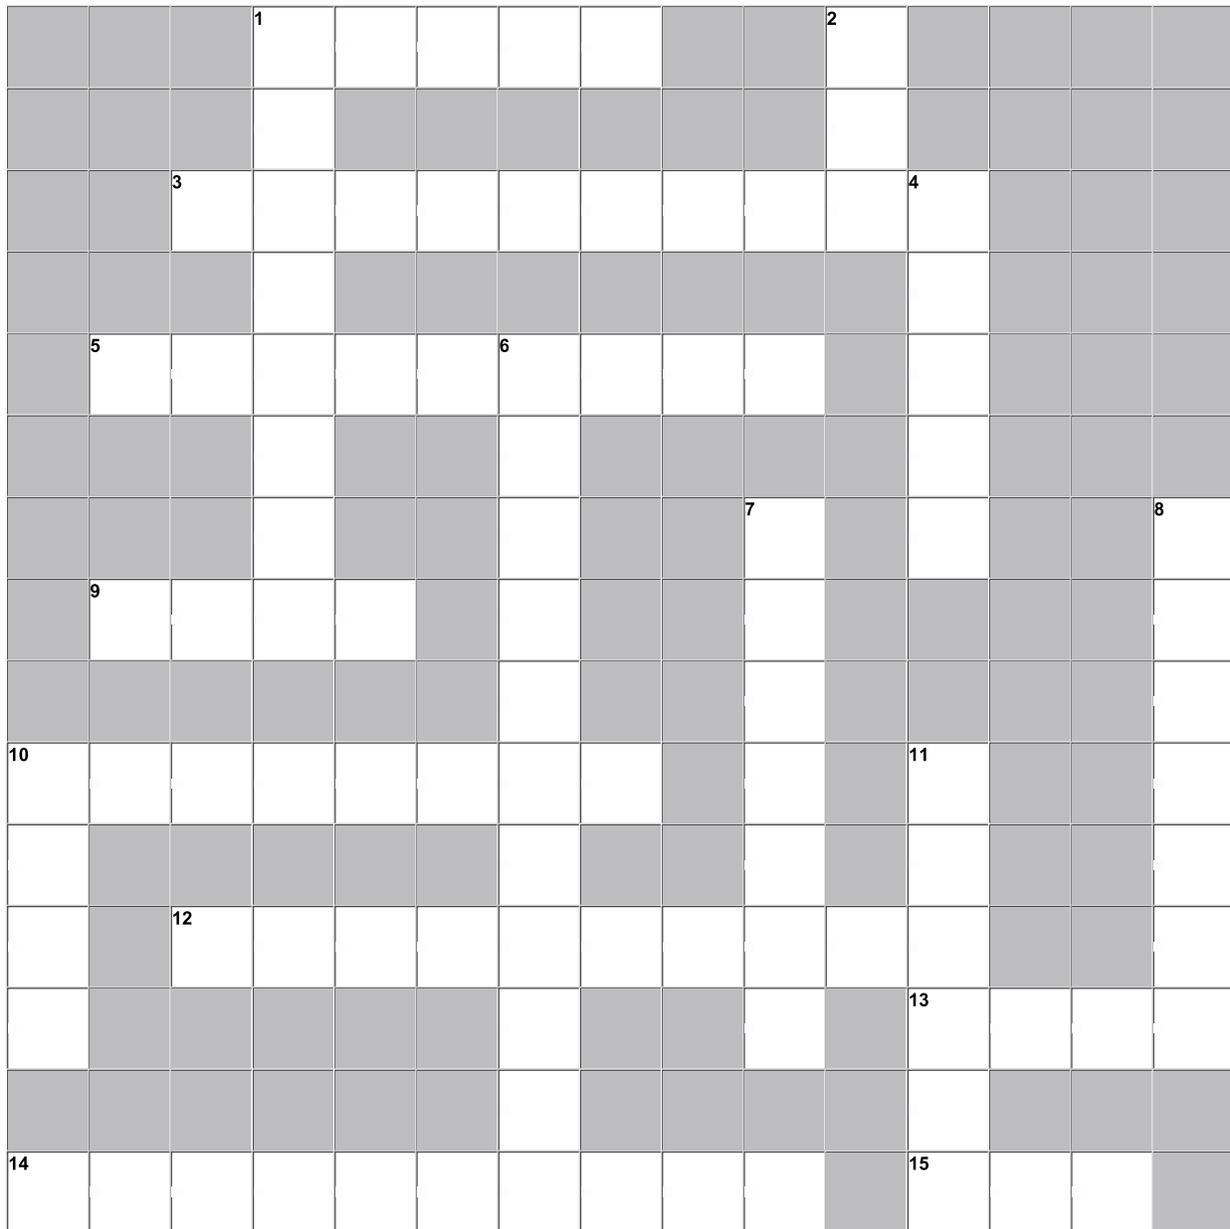

They welcome get-togethers and if you wish to hold a gathering at their store, please let them know and they will be happy to provide some complimentary snacks and refreshments.

A feature of their store is their huge wall of fibers which is being added to all the time. If you are unable to visit their store in person you can see it by taking a virtual tour at the <http://www.abcstitch.com/slideshow/images/slideshow.html>

ABC Stitch Therapy is owned by Marie and Colleen and also working in the store are Molly, Darlene, Jean, Sue, Joanne, Deb, Diane, Kathy and Carolyn.
