The Digital Newsletter of The Stitches' Village

VOL 7 ISSUE 12 – December 2015

I was off cruising for the last half of November and returned Monday night. We went on a transatlantic cruise from Rome to Ft. Lauderdale. I intended to work on projects while away, but did not find the time. I took bridge lessons and played trivia on the ship. It is amazing how time really does fly when you are having fun. So, I have been playing catch up yesterday and today.

I have actually finished posting the fabric inventory that was left from the Needlework Galleria in the TSV Bookstore. The prices reflect a 20% discount. I really do not want to be a shop and certainly admire all the hard work the shop owners do to keep their shops up and going!

I hope everyone has a warm and wonderful Holiday Season!!

Happy Stitching!
