## The Stitchers' Voice

The Digital Newsletter of The Stitchers' Village

VOL 7 ISSUE 2 – February 2015

*To market, to market I went. It was a great trip. I came home and noticed on Facebook people who posted that they were there and I never saw them! I find it hard to believe on one hand, but realize it is completely understandable. The show is set up in the Embassy Suites with the vendors "booths" being in the front room of the suite. The show takes up 4 floors. It is difficult to get in to some of the rooms to visit if I go by at a time when they are busy. I know it is not difficult to miss running into someone going from floor to floor and back to my room to squirrel away what I bought. There were so many creative products and designs. Check the TSV shops and see the new things posted.*

*I did have a chance to visit with Jo Mason, one of the founders of The Stitchers' Village. She is moving home to Australia and intends to visit on TSV when she is settled. I am confident that she will continue to create some new, wonderful products for needlework. I will be curious to see where her creativity takes her!*

Details for entering the Member Contest: Easter Egg can be found in the main menu under "Activities" then choose "Member Contest". You must stitch and finish a 3" - 5" egg in any form of stitching/quilting/knitting/etc. and mail to be received by 4/1/15. Prizes are listed along with the details in the article under the Activities menu option. The Grand Prize will be "Eggcellent Easter Tree" chart from Glendon Place along with the "Over the Rainbow" fabric from Crossed Wing and thread pack from Dinky Dyes.

## **ATC Exchanges**

Details for participating in an "ATC Exchange" can be found in the community forum under the "Exchanges and Stitch Alongs" topic. ATC stands for Artist Trading Cards and are 2 1/2" x 3 1/2" creations. The first round was a one time exchange, organized by Twig, with the theme of "Your Favorite Things". Pictures of the finished pieces can be seen in the forum. Don't be discouraged if you don't feel that you are creative enough to compose one of these. There are unlimited possibilities and they are appreciated whether they are simple or elaborate. The fun is in receiving and collecting these pieces from many, many Village friends!! The small size allows for the project to be done in a small amount of time for those of us with many irons in the fire!

Please note that the specials shown below are limited to the shop listed in the box which displays the special. Any questions should be directed to the shop
