TSV Drawing

The Stitches' Village drawing will be for a Rosewood Manor surprise package

Knowing that everyone loves the chance to win a prize and Rosewood Manor has been a very generous contributor to TSV over the years, I could not resist offering this package. You do not need to enter a second time if you entered with the h21 code already. All entries which use the code "h21" will have the opportunity for all three drawings.

To be eligible use the code "h21" on this drawing form by 11/1/21 , or go to

<https://stitchersvillage.com/library/index.php/contact/drawing-form>

This will be a random drawing from eligible entries submitted through the drawing form using the code H21. Winner will be contacted by email to verify their mailing address if drawn.
