

The Stitchers' Voice

The monthly newsletter from the website: stitchersvillage.com

Volume 12, Issue 11 – November 2020

November has arrived too soon! I have been in the swing of stitching in order to get a model for the 2020 Official TSV Holiday Ornament!!

The chart is on page 3 of this newsletter. I hope that I will see many photos posted of your stitched version. It is always a great pleasure to see what colors will be chosen to personalize these designs.

I have had a flurry of ideas running through my head for the “Stitch This” feature of the newsletter for 2021. It is impossible that we are now a month away from the new year. I am hoping to finalize a 12 part series which can be stitched as one big project or individually. I have several concepts in mind and should be able to put at least one of them together to have January ready to go!! Wish me luck!

I would love to hear from you. Give me an update on what you are stitching when you have a chance!

Be well!

Happy Stitching! Patty

Have you been keeping up with your favorite designers? From the start, we have had many who have contributed charts for various activities on The Stitchers' Village. One, who has provided several is X's and Oh's—visit their website to see what is new: [Home \(xs-and-ohs.com\)](http://xs-and-ohs.com)

Drawings and Contests

November Birthday Drawing prize: "Sir Thomas" from Glendon Place goes to:

Keli M., MN

The winner is chosen from registered members of the Community of The Stitchers' Village and based on the birthdays for the month. A random selection will be made from all of those with birthdays in the current month.

Additional drawings may be included with details in the monthly emails. Also, there will be "competitions" which require stitching of a provided design and submitting an image of your stitching such as the upcoming "Wreath Decorating" in the December newsletter.

Stitch This

#11 in the 2020 "Stitch This" is this year's official holiday ornament. I have stitched the model on white 28 count fabric (over two for 14 count) to fit the mat board frame. I used Threadworx 1154 to achieve this colorful wreath appearance. Please share your stitching in the social area of the Village.
