Volume 13, Issue 3 – March 2021

Through all seasons and in all weather, your needlework village is online! Keep your friends there up-to-date! stitchersvillage.com/village

Spring is near!! I do not think I have looked forward to the arrival of Spring as much as I do this year! I hope everyone is warming up, finally!! The pictures above show two versions of “Infinity Hearts”, my new design I have been stitching. This design is one that will be perfect for a wedding gift. It can be stitched in any combination of colors to match the bride’s theme. The one on the left is a wedding gift for my nephew. An alphabet chart will be included with the chart to personalize the project. I do not think I have ever been willing to stitch anything three times. This stitches up fairly quickly and I have another color combination I want to do. I am also trying to come up with a “sea” phrase for the one on the right. Any suggestions? The “official” color combination is shown on the next page of the newsletter. I am also working on a gaelic phrase for that one.

Be well!

Happy Stitching! Patty

Stitch This

#3 in the 2021 "Stitch This" is the third of a twelve part series that will run through this year. The sections will incorporate the name of the month, a specialty stitch and a different motif each month. Each piece will be the same size and shown with a boxed line border. The complete size with all 12 sections stitched into one project (with three across and four down) is 160w x 293h. Each individual box will be 54w x 74h—the line of the border will be shared by connecting sections. You may wish to leave the border off but use it for layout guide of the project. Fabric size and color as well as thread choice is completely up to your personal preference! Enjoy!
