The image above is my current stitching progress on a fun SAL from The Witchy Stitcher. One of my stitching group buddies brought this to work on. I came across this fabric “orphan” and thought it would be the perfect fit! This project is available for purchase as a download [HERE](#). Let me know in the Village if you will be stitching this. It should be a lot of fun!

I am working on an activity page for October. I have sent out emails to shops and designers and will hopefully have some additional fun from some of them! I anticipate it will go live October 15.

August always brings to mind the sunflowers in bloom and the start of school. The sunflowers were on my mind when designing the August selection for the Stitch This feature of the newsletter, page 3.

The Stitchers' Village community is designed to be member driven. TSV offers activities, but the social area is designed to be just that. I am reaching out to previous, current, and past members to let me know if you have suggestions for what you would like to see. I would also ask previous members to let me know what caused them to wander away from the Village.

Be well!

Happy Stitching! Patty

2021 Twelve Part Series - Section 8 August

This is the current section in a twelve part series for this year. The sections will incorporate the name of the month, a specialty stitch and a different motif each month. Each piece will be the same size and shown with a boxed line border. The complete size with all 12 sections stitched into one project (with three across and four down) is 160w x 293h. Each individual box will be 54w x 74h—the line of the border will be shared by connecting sections. You may wish to leave the border off but use it for layout guide of the project. Fabric size and color as well as thread choice is completely up to your personal preference! Enjoy!

*Please share your stitching in the social area of the Village.
