March 2022

Volume 14, Issue 3

Through all seasons and in all weather, your needlework village is online! Keep your friends there up-to-date! stitchersvillage.com/village

March is the month for the Nashville wholesale needlework market. I did not attend this year as I was on Grandma duty. Our gift to one of our daughters was a visit to stay at their house and babysit while they went away for a weekend. We had a great time. It was strange, however, to miss market. I did not have plans to attend any retreats this Summer, so I did not wish to be tempted by all the great new products. I am sure you will find some of these treasures at your favorite needlework shop.

Be well! Happy Stitching! Patty

Here is a clever project from a new (to me) design company

Heart in Hand
Always a favorite with lovely projects

A Stitch Along/Challenge is happening for 2022

There is a page posted in the Village community. Be sure to join in!

stitchersvillage.com/village

Details: In this 2022 SAL/Challenge we will have 3 prompts (words) to choose from. You can choose 1, 2 or all 3. Remember to have fun. The prompts (words) will be posted by the 15th of each month to give everyone a chance to get ideas and supplies together. Also a hint: Each month will always have a choice of the name of the month. This is not a contest and there won't be any prizes. This is to get us stitching and maybe get some of those WIPS completed. Please post all photos within the page itself - "not to the general feed". This keeps things organized.

Example for the March prompt (word) SAL/Challenge choices are:

1. Stitch something that has the word March in it
2. Stitch something that has clover in it
3. Stitch something that has any shade of "green" in it

The good news on these SAL/Challenge is your stitched piece doesn't have to be completed to post a pic. If you choose to stitch something with the word March in it and you complete the word March and you post a pic on the page, you are done with the SAL/Challenge. Have Fun!

Did you know that registered members of The Stitchers' Village community are welcome to host a stitching exchange, stitch along, challenge, etc? There are options for a page or group for any of these activities. The community is intended to be member driven so that you share your stitching in a way that makes you happy.
