## ON THE COVER

The stitch along for November is "First Name Shields" from Hillcroft House

And

**There will be ornaments!!**

Several designers are providing ornament designs for members of The Stitchers' Village! These will be posted starting on November 26th!

*A brief sort and count of member registration shows that we have approximately a thousand members who might potentially have been affected by the recent super-storm on the East coast. Please know that our thoughts and prayers are with all of those who have suffered loss and damage and particularly with our stitching friends.*

*As we go into the holiday season, we will keep our friends in mind. We have several designers who have generously provided complimentary ornament designs that will be posted in an event that will begin later this month.*

*Thank you to all of those who participate in TSV and make the Village a great place to be.*

**First Name Shield Stitch Along**

There is a stitch along in November with the First Name Shield charts from Hillcroft House. These are 83x103 designs that give the name, origin, definition, and an interpretation of the name in symbols in the center of the design which is similar to a family name crest. There is a Forum discussion in the social area under the stitch along topic for information on the activity and how to join.
