The New Look of The Stitchers' Village!

Sponsored by:

ON THE COVER

The Village has a new look after an update to the graphics for the site.

July saw quite a few new members join us at TSV. The word is getting out that we have a wonderful community of Villagers! It is a great place to see what's stitching around the world.

We had a bit of fun celebrating both Halloween and Christmas in July. It won't be too long and it will be Halloween for real. The time flies by, but I hope that lots of stitching is happening for everyone.

Thank you to all of those who participate in TSV and make the Village a great place to be.

Stitch Along or Join a Group

Do you have a favorite designer, theme, or project that you would like to share? There continue to be more and more groups and activities in which you may participate in the social area. Or, you may want to start a new one to share your interest in something you are stitching. There are so many beautiful photos posted in the social area showing projects that members have stitched. You are sure to see something you have not seen before.

Sampler Project

The Stitches' Village Sampler Project is an ongoing opportunity for members to stitch a section of a sampler. All the sections will be connected to form one long sampler. This does not have an end or a due date, but the sooner your section is stitched and connected, the better! This project began last July and we currently have 21 Sections with a total stitched length of 114 inches. For details on how you can participate, email me at: pattytsv@gmail.com

This would be a great project for a stitch group stitch along!
