

The Stitches' Voice

The Digital Newsletter of The Stitches' Village

VOL 6 ISSUE 11– November 2014

“Village Square” from Ink Circles is #3 in the Village Home series. If you have not started to collect this series of designs, now is the time! Tracy Horner has created one of her signature designs to be included in the series. Her statement is:

“My village home is in a small town full of parks and trees and flowers. I can easily walk to the bookstore, the stitching shop, and the pub”

As the new community evolves, I hope that you will feel free to give your ideas for what you would like to see. We will have a slideshow of new products going up in the near future. We are also working on a calendar module that will incorporate both events and birthdays for the community. I really appreciate the loyal members who continue to make TSV the best stitching community ever! Thank you!

Hope to see you in the social area!
