The Digital Newsletter of The Stitches' Village

VOL 7 ISSUE 9 – September 2015

Welcome a new shop to TSV - The Cottage Needle. She has provided us a coupon for members of The Stitches' Village. You can find it on page 2 of the newsletter.

I took a few days to spend with my youngest daughter in Miami Beach. She is planning a trip to Europe where she and her fiancé have decided to get married. They have found, however, that it is not as simple as making the decision. There is, apparently, a 30 day residency requirement for France. Italy only requires 3 days, so it looks like Italy, it is. I hope their elopement is as romantic as intended!

The next few weeks will be hectic at TSV headquarters! Organizing everything for the trip to St. Charles is at the top of the list. I also had to ready a few items for an online wholesale show. I have one more deadline to meet today and, thanks to one wonderful, stitching BFF, I have photos of two new designs to show. Of course, I am planning the Halloween activity page and will put that all together during the first couple of weeks of October. Time is flying! Hopefully, you are finding time for stitching! See you around the Village!

Voucher Point Poll

I offered members the opportunity to voice their preference between Village Voucher Points and specific items as prizes for various activities and the results were pretty much even. So, I will continue to alternate what is offered - some will be in VVP and some will state the prize.

August Drawings

That being said, there were two drawings listed in last month's email. The first winner was Nan D. who received 2000 VVP. The second winner was Jennifer K. who will receive 7500 VVP

Your Village

I would like to remind everyone that the new community of The Stitchers' Village is a welcoming, friendly place. It is also YOUR village, so you may start a stitch along, exchange, challenge, etc., if you have an idea or would like to engage or challenge the members of TSV, start a group or forum discussion. On the "old" social area, links were prohibited, but that has been changed and needlework related links are encouraged. Also, I realize we primarily discuss cross stitch, but the site is intended for all forms of stitching to be incorporated. If you do needlepoint, quilting, or whatever other type of stitching, please get involved and "kick start" the discussions for your interest.

Needlework Galleria

I will be attending the [Needlework Galleria](#) retail show September 24-26, 2015 in St. Charles, MO. as The Stitchers' Village featuring Picture This Plus fabric. If any members plan to attend, please let me know so that we can plan a get-together there. There will be at least 90 fabric orphans there for those of you who love the OOAK pieces! I am teaching a class "Let's Color" that will review some thread techniques and discuss fabric choices. Class attendees will receive an eighth of a 2016 new color release from Picture This Plus that will have a limited early release at the show and will not be available again until March 2016. There will also be a TSV exclusive Glendon Place mandala design that will be part of the class materials. We should have a great time!
