

## 2019 Cat Color Challenge

*This color challenge is part of the 2019 Halloween Activity Page.*

*Choose colors that you prefer, they do not need to be Halloween themed. You do not have to keep the interior decorations of the design. You may "color" in stitching any way you prefer as long as you keep the basic outline of the design.*

*Add specialty stitches, embellishments, etc. that appeal to you and make it special!*

*Stitch it in your choice of colors and submit a photo in the Halloween 2019 page discussion where the pdf with the chart was posted. Prizes will be awarded!!*
