

The Stitchers' Voice

The monthly newsletter from the website: stitchersvillage.com

Volume 12, Issue 12 – December 2020

I hope that you saw the chart for the 2020 Official TSV Holiday Ornament in the November newsletter. I would like to see many of you post photos of your stitched version. I love to see what colors will be chosen to personalize these designs.

Page 3 of this newsletter is the final “Stitch This” for 2020. The wreath design is part of a challenge for you to stitch and decorate your version of the project. Details for entering into a random drawing associated with the challenge is included. Enjoy!

I would love to hear from you. Give me an update on what you are stitching when you have a chance! The easiest way to do this is to post in the community feed of the Village: stitchersvillage.com/village

Be well!

Happy Stitching! Patty

Stitch This

#12 in the 2020 "Stitch This" is a decorating challenge. The chart below is designed to represent a wreath. You may choose the colors (silver and gold, two shades of brown or green, any combination, or one overdyed thread used for both color symbols—your choice). Stitch the design and then decorate it with ribbon, buttons, beads, crystals, or anything you imagine! Post a picture of your stitched and decorated wreath in the home page feed of The Stitchers' Village community to share your holiday creation, please. stitchersvillage.com/village
Design size is 40x40.

If you wish to be entered into a random drawing for a lovely holiday gift package, you will also need to send by December 15, 2020, an image of your stitched and decorated wreath to me: pattytsv@gmail.com
