Egg Stitch Along And Competition

In the Social Area Forum in the "Stitch Along" topic you will find the details and chart for a fun event. Use the chart for a guideline as to size and stitch an egg any way you like. Use any method, material, embellishments, as long as you get creative. Join in the fun for a bit of competition as the final results will be put to a vote to decide on the favorite!

I realize that it is not so in all parts of our community, but Spring will arrive this month for some and that is a welcome event! The snow is falling outside my window now. I am ready for some warmer weather.

This is the time of year for the TNNA Nashville wholesale market. I will be attending this year and hope to report back on all the new products and designs. Watch for blog posts/pics in the social area. I will do my best to send some photos, also! The show is always a great way to get over the Winter blahs and get excited about stitching!

As a reminder, please shop the TSV shops and let them know that you are a TSV member when you do. The shops are the funding for The Stitchers' Village.

Hope to see you in the social area!

Fabric Orphan Adoption March 23

In response to numerous requests, this will be held on a Saturday morning. The page to view the orphans will go live at 10:00 a.m. Central Time. The page will show a picture of the available orphans, give the specific fabric type/count, the adoption fee, and a name. This is done on a first come, first served basis and the window of opportunity is small. You will need to follow the instructions given at the top of the adoption page. When the orphans are all adopted the orphanage will close. The "orphanage" will be the tall building next to the newspaper office on the main village site. (stitchersvillage.com/orphanage.htm)

The fabric orphan adoption opportunities are a collaboration between Picture This Plus and The Stitchers' Village. Fabric "orphans" are created when, through no fault of their own, they do not match any of the PTP color categories and are not a color in the normal PTP line. This means that these colors are unique and are not available for ordering, but are only available as one of a kind "orphans". So, we are offering opportunities for you to "adopt"!

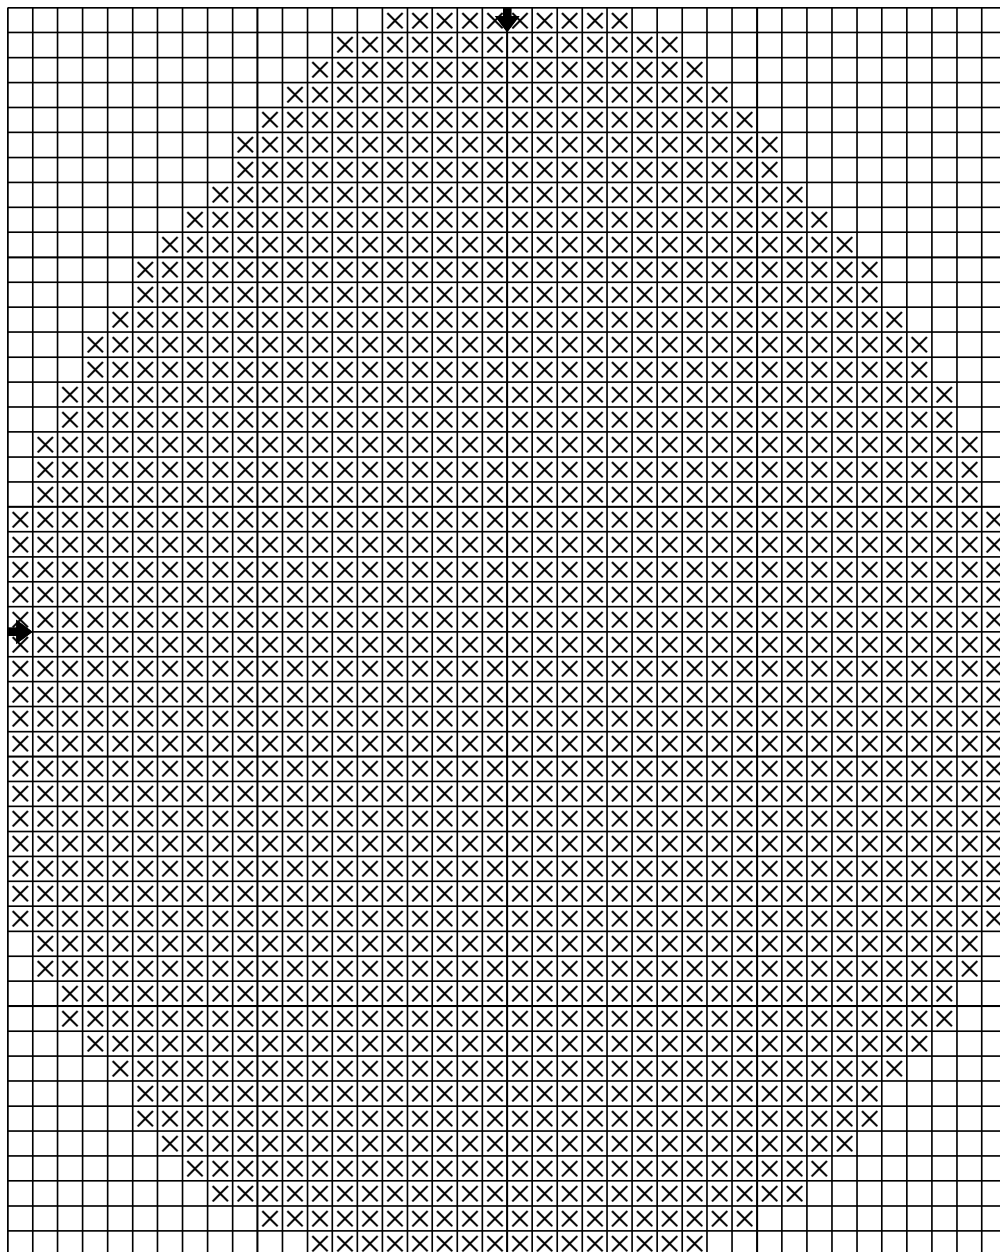

Easter Egg SAL

PLEASE join us for some Springtime Fun! STITCH your Egg using the chart below. You can stitch your egg and decorate however you like. Add beads, buttons, charms, ribbons - whatever. You can embroider, cross stitch, or needlepoint your egg. You can use bits and pieces of charts or design your own. BE CREATIVE! The Stitch Along Forum in the social area is where you will find further details and will be the place to post a picture of your creation, under the “Easter Egg SAL - March 2, 2013 - April 2, 2013” topic. If you have any questions, please email patty@stitchersvillage.com
